2011 Chippewa Falls Community Garden

Chippewa Falls Parks, Recreation, and Forestry and University of Wisconsin – Extension Chippewa County are offering community gardening in Chippewa Falls for the 2011 growing season. 12' x 24' garden plots at Marshall Park on Bridgewater Avenue are available for lease by individuals, households, or organizations. The garden will be tilled and ready for planting by early May. Fees for leasing plots are \$25.00 for Chippewa Falls residents or \$35.00 for non-residents.

Community Garden Guidelines

I agree to abide by the following terms and conditions:

1. I will pay a yearly non-refundable fee to help cover garden expenses in the amount of \$25.00 city resident or \$35.00 non-resident, (checks payable to CFCG – Marshall Park Garden) which will be due at the start of the season. Plots are assigned on a first-come first-served basis.
2. Garden plots will be restricted to one plot per household per season. Requests for multiple plots may be made on the application form and plot holders will be notified if additional plots are available.
3. I will have something planted in my plot by the end of May and keep it planted all summer long.
4. I will keep weeds down and maintain the areas immediately surrounding my plot.
5. I will keep a regular maintenance schedule throughout the growing season and arrange for a neighboring gardener to care for my plot during my time away.
6. I will remain on-site while watering.
7. I will be contacted if my plot has been neglected or improperly cared for. If a solution cannot be found then the plot may have to be reassigned.
8. I will follow the guidelines of Integrated Pest Management, which is the practice of avoiding herbicides and pesticides in the garden.
9. I will keep my plot and adjacent pathways and fences clear of trash, litter, and weeds. I will take all trash home for disposal or recycling. There will be no trash disposal available on-site

10. I will use the compost bin for depositing garden waste. I will not include plastics, any food waste other than fruits and vegetables, or any weeds that have seeds.
11. I will harvest my own crop only, unless given permission by other plot owners.
12. Children may be in their family garden plot only and must be supervised at all times.
13. I will not bring pets within the perimeter of the garden.
14. If I must abandon my plot for any reason, I will notify the garden coordinator.
15. I will participate in the fall clean up of the garden. I understand failure to clean up my plot will result in denial to participate the following year.

Chippewa Falls, in permitting the use of certain excess lands for garden plots by the public, is not responsible for any personal injury or property damage incurred by any plot holder or their guests, or for the theft, loss, or destruction of personal property owned by any plot holder.
