

Dear Citizen:

I would like to thank you for utilizing the Chippewa Falls Police Department's on-line self-reporting crime form. This reporting process should make it a bit easier for you to report petty crime to the Police Department.

There are many benefits to utilizing the on-line reporting system. First, it will probably be more convenient for you. You don't have to call and then wait for the officer to respond. Rather, you can simply complete the form and press the "send" button and you are finished. Your submitted report should also adequately document your loss for insurance purposes.

By utilizing the on-line report form, you are also helping the officers of the Police Department. Your information can be used to determine criminal activity and patterns that may aid in solving both your crime as well as other similar crimes. This type of reporting process also allows officers to address more immediate needs of the community.

If you have any questions regarding this form, feel free to call the Chippewa Falls Police Department at 715-723-4424. We appreciate your assistance.

Sincerely,

Wayne A Nehring  
Chief of Police
